

Delivering Powerful Gaming Security Solutions

As one of the largest system integrators in the casino market, TSI has established a solid reputation for premier gaming security solutions and services across the nation. With showcase installations that include the Las Vegas Strip, we are eager to share our vast experience in the development and implementation of powerful, scalable security solutions that will exceed your expectations. At TSI, we ensure that your customers, employees and property are all protected, while enhancing operations of your facility.

We are dedicated to providing you with a comprehensive, all-inclusive, accurate quote the first time. This means no change orders and no easily surprises during or after your installation.

Our Custom System Designs

- * **Cutting-edge, scalable solutions customized to meet your specific needs**
- * **Strategic camera placement for superior observation and identification**
- * **Open systems architecture allows for integration with 3rd party systems' analytics and investigative analysis**
- * **Consultative services to work within your budget/cap ex**
- * **Easily and cost-effectively migrate from Analog to IP Video**
- * **Meets all national, state and tribal gaming regulations**

System Features that make a Difference

- * Unparalleled HD image quality for maximum detailed views
- * Faster video response time with instant video footage recall
- * Easy event traceability for quick investigative purposes
- * Efficient storage rates
- * Manage your video solutions from one streamlined user interface
- * Flexible, scalable and easy to use

Products & Capabilities

- * Highest quality systems from the top manufacturers in the industry at the most affordable prices
- * Data security to protect against hacking and fraud
- * Video management systems designed for 24/7 monitoring and recording
- * Wide variety of IP cameras to fit every application

Remote Management

- * Cost-effectively manage multiple security and safety systems, regardless of your gaming facility's size, location or complexity
- * Access live and recorded video from any authorized computer, smart phone, tablet or other device, and receive potential threat alerts to these devices
- * Share any image, analytic or report via email or other network media for quicker police response times and a more efficient transfer of information

We are dedicated to completely satisfying our customers, as well as offering continued support after your installation, in order to ensure that we offer you some of the lowest cost of ownership and the best value in the industry. We want to make sure the life cycle of your system exceeds your expectations and that future upgrades/expansions are easy, so you can save time and money.

We will anticipate all of your security challenges to keep you protected.

Maintain Integrity of Gaming

- * End-to-end solutions provide unparalleled image detail, allowing you to confidently see every table and every card on your entire casino floor
- * Easily identify suspicious activity with complete clarity
- * Prevent loss with evidence-quality footage

Parking Lot & Perimeter Security

- * Maximize parking lot and perimeter video coverage to deter theft, vandalism and solicitation
- * Identify suspicious vehicles with reliable license plate recognition technology
- * Receive alerts when vehicles are stopped in no-parking zones or are entering restricted areas
- * Quickly and accurately identify false liability claims to avoid higher insurance premiums

Employee Theft & Collusion

Of all scams, internal scams are the most costly. Our solutions enable you to quickly and easily detect cheating, theft, fraud or loss of any kind using the powerful combination of video surveillance and review of key statistical information

“Providing local, fanatical customer service and support since 2004.”

**Unlock the door
to Confidence!**

We insist on using only the most reliable products from leading manufacturers, and as a result, we are able to **guarantee all of our installations and services.**

As we continue to set ourselves apart from our competitors through our devotion to **operating fairly and honestly**, we encourage you to contact us, and begin your **free consultation** today.

TSI at a Glance:

- ✓ *Customized system design and integration*
- ✓ *Qualified local technical support*
- ✓ *Superior customer service*
- ✓ *Competitive pricing*
- ✓ *Prompt, accurate quotes. NO hidden costs and NO change orders within the specified scope of work*
- ✓ *Latest technology*

"TSI was the only integrator that addressed all possible issues prior to the installation. This allowed me to extrapolate costs to a 5 year period, and my corporation gained a much more detailed comparison between the 4 integrators vying for the contract. I have found all involved with this company to be above reproach in their professional relationships. No mean feat in the Las Vegas business environment."

*Jerry McCawley
Vice President Security and Surveillance
American Casinos and Entertainment Properties - Stratosphere*
